

Equipment

Specification		
CE-certification		A
Length		19,99 meters
Beam		5,5 meters
Draft		1,84 meters
Displacement		60 tons
Fuel capacity		9 000 liters
Water capacity		1 100 liters
Engine		
Standart engine		2 x 270 hp
Cruising range		2 000 mile
Speed		
Cruising speed		9 knots
Max. speed		12 knots
Cabins		
Cabins (beds)		4+1
Extra steering post		•

POPILOV 1999M

Standard equipment

Hull	
Marine certified steel	•
Hull thickness — 6 mm, superstructure — 4 mm	•
3 water-resistant bulkheads	•
Certified anti-corrosive paint JOTUN	•
Anode protection system	•
Life raft	•
Electrical supply	
Generator — 16 kw	•
Invertor	•
Batteries 20 pcs	•
Fuel system	
Fuel filters-purifiers	•
Fuel tanks 9 000 l	•
Service tank 470 l	•
Water supply	
Freshwater tanks 1100 l	•
Hydrophore 2 x UP12/A-V20	•
Sewage tanks, 2 pcs	•
Grey water pumping system, 2 pcs	•
Fresh water generator, 100 l/hr	•
Water heating boiler 100 l., 2 pcs	•
Steering	
Electro-hydraulic steering control system	•
Autopilot	•
Main steering post of wheels, joystick + wheel without hydraulic actuator	•
Extra steering post of wheels on flybridge, joystick	•
Mooring system	
Stainless anchor, 75 kilos;	•
Anchoring capstan	•
Mooring capstan, two-optional	•
Stainless bits on the main deck aft and forward	•
Bow thruster D=250mm, electrical	•
Navigational equipment	
Multifunctional 16" display	•
Broadband 3G radar	•
GPS-antenna	•
Echosounder sensor	•
Speed and water temperature sensors	•
Sensors commutator	•
Radiostation	•
Antenna class A	•
Autopilot set VHF 1,5 m for radiostation	•
Autopilot display on flybridge	•
Extra chart plotter on flybridge, multifunctional 9"	•
Automatic Identification system AIS	•
Interior	
Furniture made of marine plywood covered with beechwood veneer	•
Floor carpeting	•
Sofas, 3 pcs	•
Beds 6 pcs	•
Bathrooms, 3 pcs with shower cabins	•
Table in lounge	•
Galley	
Stainless sink	•
Electrical cooker	•
Stove	•
Fridge	•
Extractor fan	•
Exterior	
Teak flooring	•
Stainless railings	•
Projector with remote control	•
Foghorn	•
Navigational lights	•
Anchoring lights	•
Double steering post on flybridge	•
Fuel bunkering post	•
Water bunkering post	•
Bilge and domestic water pumping post	•
Fitted shower on stern	•
Fire safety	
Automatic fire-fighting system	•
Extra portable fire extinguishers (according to classification requirements)	•
